1. A Bonus will be held at the Fairgrounds on Saturday, August 6, 2011, for market beef, breeding heifers, market swine, sheep, commercial rabbits and market poultry. Each exhibitor is invited to bonus a total of **one** animal.

2. **No dairy animals or commercial ewes** may go through the Bonus.

3. Animals will go through the Bonus in their ribbon group. Champion and Reserve Champion animals and showmanship winners will go through first.

4. 4-H'ers who wish to take an animal through the Bonus sign up at the 4-H office by 10 a.m. on Friday for swine, poultry, and sheep, and by one-half hour after the beef and rabbit shows. You **must** register the 4-H'er's name and the identification number of the animal -- ear tag (beef or sheep), paint or tag number (swine), tattoo number (rabbit) -- that will be taken through the Bonus.

5. All adjustments or claims on Bonus money will be strictly between the exhibitor and the Bonus contributor.

6. 4-H'ers with carcass animals (if carcass animals have already been shipped to the packer) may bring another substitute animal to go through the Bonus.
