## MACHINERY EXIBITORS

**‘ ‘COME FOR THE FAIR....STAY FOR THE FUN’ ’**

Will you join us at the Woodbury County Fair, August 4 - August 8, 2010?

We would like your help in putting together another great machinery, automobile and other related displays during our Woodbury County Fair. In the past we have had many exhibits and we welcome you back and we welcome any new exhibitors.

We would like to know how much space you would like, or how many items you plan to bring so we can plan where each exhibitor will be located before you arrive.

Exhibitors who wish to set up tents and have electricity provided will be charged \$25.00.

**Enclosed you will find two forms to complete and return to us.**

**(1) Machinery Exhibitors Registration Form**

**(2) Waiver & Indemnification Agreement.**

Exhibit items may be brought to the fairgrounds on Monday, August 2, or Tuesday, August 3, so that they can be arranged for display. We will have security both Monday and Tuesday nights.

If you accept our invitation to exhibit at our fair, please stop at the office when you arrive to set up your exhibit and we will provide you with 2 gate passes to enable you to enter the grounds during the fair to attend to your exhibit. Also, at that time we will direct you to where your exhibit can be set up. We will have personnel to assist you in locating that area.

All exhibits will stay in place until 6:00 p.m. on Sunday, when all commercial exhibits are released. There will be security Sunday night so that machinery and displays can be left and picked up on Monday. Someone should be available Monday to assist with loading out if necessary.

We appreciate your support and we know that being a part of our fair will be worthwhile to you and your business and together, we will make the 2010 Woodbury County Fair a success.

Thank You,

Dave Amick, Woodbury County Fair Manager  
Kathy Tabke, Woodbury County Fair Secretary
